This information packet will provide you with important travel information, and is subject to change at the discretion of the race management and does not replace the official race guide provided by the event. Please read it carefully as it will help you squeeze every last drop of magic out of your international race weekend at the Disneyland® Paris.

### HOW TO LOG INTO YOUR GET SPORTS TRAVELER ACCOUNT

To view your complete account information visit our website and log into your account directly, please click [here](#). Enter your last name, and your 6-digit traveler ID number. Please ensure all names in room and all race/additional options purchased are correct.

\*If you have trouble viewing your account or want to discuss or request a change, please call us at 1-888-877-4445 Option 3 for assistance.

### IMPORTANT REMINDERS AND ONSITE TIPS

- Theme Park Tickets and meal vouchers (if purchased) must be picked up at your hotel upon check in. If they are not given to you by the desk agent at check in, call or email us immediately at [Juliego@gettravel.com](mailto:Juliego@gettravel.com).
- Standard transportation services only take cash in Euros if not prepaid & [specifically states on your confirmation that payment has been taken & confirmed](#). Please note, we have learned it's about \$100 to take a private taxi from Charles de Gaulle Airport to Disneyland® Paris. [Magical Shuttle](#) advanced registrations are recommend. Use promo code RUNWEEKEND2019.
- Currency exchange outlets are not open early in the airport & currency exchange fee is very high at Disneyland & train stations. We recommend that BEFORE YOU LEAVE you handle all of your currency exchange needs.
- Laundry valet is very expensive & the only coin laundry is at the Cheyenne Hotel. (Euro coin)
- Tipping is not customary in Paris but saying "thank you" is.
- Purchases inside the park can be delivered to your hotel for no extra fee.
- For information regarding airport and event transportation please visit <https://gettravel.com/2019-disneyland-paris-transportation-options/> or see page 10 of this guide.
- Bring an adapter or two for all electronics. France has different size plugs and voltage.
- Contact your bank and notify them you will be traveling internationally so you have access to funds. Make sure your credit card will work in the country you're visiting. European banks and merchants have switched almost completely to the more secure chip-and-PIN technology, and fewer businesses abroad are accepting the outdated magnetic-strip cards.
- Should you plan to use your cell phone or tablet while abroad, be sure to contact your cell phone provider to ensure your device plan has the capability to work in France.
- Pack all medications in your carry-on luggage. There are no Mini Fridges or Microwaves in rooms so any medication that needs to be cooled or heated up will need to be stored in the baggage claim section of the hotel.

## HOTEL INFORMATION

Disney's Newport Bay Club®

Disney's Hotel New York®

Disney's Davy Crockett Ranch®

Disney's Hotel Cheyenne®

Disneyland® Hotel

Disney's Sequoia Lodge®

Please note that Thursday, September 5, 2019 is the last date to request any hotel package name changes or to add on or upgrade package options. These requests get sent to [info@gettravel.com](mailto:info@gettravel.com)

Upon arrival to the hotel, all bags will have to go through a security scanner belt and each person will be checked by a guard with a hand scanner. This is normal protocol and may take some time.

**PLEASE LOOK AT THE SIGNAGE UPON YOUR ARRIVAL – SOME HOTELS MAY HAVE SET UP A SEPARATE AREA (FOR EXAMPLE, NEWPORT BAY'S CONVENTION CENTER) FOR RUNNERS AND THEIR FAMILIES TO CHECK IN AT. IF THERE ARE NO SIGNS, DON'T BE AFRAID TO ASK QUESTIONS ABOUT WHERE RUNDISNEY EVENT RUNNERS CHECK IN BEFORE WAITING IN LONG LINES IN THE MAIN LOBBY. GET SPORTS IS NOT NECESSARILY ADVISED OF THESE PLANS IN ADVANCE.**

At hotel check in you will be asked for your Passport. The primary guest listed in the account will need to produce their passport. Other occupants should be prepared to show theirs as well if asked. Hotel rooms are listed by the primary adult's last name who registered with GET Sports. All roommates are then listed as secondary names under the primary last name.

Check-in & Checkout: Average Check-in time is after 3:00pm. For early travelers, every effort will be made to get guests settled as soon as possible. Guests arriving before check-in time will be accommodated as rooms become available.

Check-out time is before 11:00am. If you are going to request a late check out, please make that request with the front desk when you check in. Please be advised, only your room and tax have been pre-paid. All incidental charges are the responsibility of the guest. Please make sure you are provided at check in your correct & pre-purchased Disneyland theme park tickets and lunch/dinner meal plan vouchers. If there is a question as to what you purchased, please refer to your current GET Sports invoice. Hotel Breakfast vouchers were not sold by GET Sports and can be requested at the front desk.

Connecting Room/Adjoining Room/Bed Type: All rooms are based on the hotel's "standard" room type. Every effort will be made to accommodate all requests for specific bed types, connecting rooms, adjoining rooms, and multiple rooms together. Due to the high volume of the event weekend, timing of other guests Check In and Check Out requests, and the capacity of specific hotels, we cannot guarantee any specific room requests.

Accommodation Issues: Please notify the front desk agents at your hotel FIRST if you are having any type of problem or maintenance issue with your accommodations. GET Sports has little to no control over this and is best handled by the hotel and guest directly. Concierge or the Front desk agents can answer questions about the hotel, event, dining reservations, meal plans or park tickets. Any race related items purchased will be provided at the Expo.

**NEW!!**

The Cheyenne, Santa Fe, Sequoia Lodge and Newport Bay Club Hotels have hot drink vending machines that will dispense 1 free hot beverage per person, per day with your room key. Disneyland hotel has an in-room coffee and tea maker. See your front desk agent for more information.

When purchased, you will be asked what time you wish to have breakfast each day and you will be given a meal voucher. This voucher is labeled for one breakfast each day of your stay. If you miss the appointment you can take the voucher to the front desk for a new appointment time. All meals in all hotels require appointment in advance. There are no walk in meals/restaurants in the hotels.

Saturday and Sunday Runners Breakfast (for purchase): The hotels will open their restaurants at 5:00am on Saturday and Sunday to accommodate runners who want to eat before their race. Please present your race bib and breakfast vouchers upon arrival. If needed, runners only will be allowed to eat breakfast again if they arrive back to the hotel restaurant before 11:30am.

Dinner Reservation Inside a Theme Park: If a dinner reservation is made for a restaurant inside a Theme Park, a Theme Park ticket will be required to enter the Park to attend the dinner reservation(s). Once the ticket is used for entrance to the Theme Park it will be counted towards a day's visit. We strongly recommend that dinner reservations within the Theme Park be made in conjunction with a planned Theme Park visit in order to maximize the ticket's usage.

### MEAL PLANS

If you purchased your meal plan through GET Sports, don't forget to book ahead to secure your table, as having a Meal Plan does not guarantee a table. ## MEDICAL CERTIFICATE, WAIVERS AND INSURANCE POLICIES

### Medical Certificate

No Half Marathon registration will be valid unless you provide a health certificate or a sporting license. If you are not entitled to FFA, FFTRI, FSGT athletics, FSFC athletics, UFOLEP athletics or any other federation, a valid health certificate delivered by your doctor is mandatory. It must have been delivered less than one year before the race day and must include “no contraindication to the practice of running in competition”. License or health certificate will be asked during the distribution of the bibs. Download a [health certificate template](#)

According to French law n°99-223 relating to the protection of athletes’ health and the fight against doping, all the runners, French or foreigners, must prove their aptitude to participate in running competitions with a medical certificate from a doctor.

All half marathon runners must have a medical certificate on file when you pick up your race number at the Expo. Please remember: if you forget it, or if the wording on it is incorrect or does not the appropriate stamp, Disneyland Paris will not be able to issue you with your race number.

You will also have to present your official validation of registration (which you will receive by email a week before the event) and proof of identity at the Expo.

No race numbers will be sent by mail. No race numbers will be given on the day of the race.

All race registrations require a completed health certificate, including a doctor’s signature and stamp, to be submitted directly to Disneyland Paris to be confirmed.

You can download a Half Marathon Medical Certificate template by clicking this link: [Medical Certificate Template](#)

There will NOT be a doctor on-site to complete your Medical Certificate. Please upload your Medical Certificate, with required signature and stamp, by August 30, 2019.

### Waivers

- You must have your signed waiver and a Photo ID with you to pick up your race packet
- A parent or legal guardian must complete and sign the release for all participants under the age of 18. No exceptions will be made

### Insurance Policies Personal

#### Insurance Policy:

As per the French legislation (Art. L321-4 of the sports code), it is compulsory to inform runners in regards of the Personal Insurance Policy : Personal insurance: most usual insurance (guaranteed via credit cards, insurance,...) excludes any participation in a sports competition and therefore the risks associated with your participation in the races of the Disneyland Paris half-marathon weekend. It is important that you check the guarantees and exclusions of your potential personal daily insurance, and if appropriate, subscribe an individual insurance which covers the risks.

This subscription is optional but highly recommended, to the extent where it is the only one to offer participants in a physical activity and sport, a warranty for damage they cause to themselves or when perpetrators are not found. It will intervene in addition or absence of any current insurance. It can be done with the insurer of your choice.

#### General Liability:

“In accordance with the law, the organizer has subscribed insurance covering the consequences of their general liability, their attendant and all participants for the various races of the Disneyland Paris Half Marathon weekend. We remind that the organization is neither responsible for participants’ bags lockers or their content. It belongs to each competitor to take the necessary measures for preserving his personal belongings.
